SECTION 04: First aid measures

- 4.1 Description of first aid measures
- After inhalation:

*

*

*

*

- Supply fresh air and to be sure call for a doctor.
- In case of unconsciousness place patient stably in side position for transportation.
- After skin contact:

Immediately wash with water and soap and rinse thoroughly.

- Immediately rinse with water.
- After eye contact:
 Binse energed eve for several minutes under runn
- Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. *After swallowing:*
- Do not induce vomiting; call for medical help immediately.
- Information for doctor:
- 4.2 Most important symptoms and effects, both acute and delayed
- No further relevant information available.
- 4.3 Indication of any immediate medical attention and special treatment needed No further relevant information available.

SECTION 05: Firefighting measures

- 5.1 Extinguishing media
- Suitable extinguishing agents:
- CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
- For safety reasons unsuitable extinguishing agents:
- Water with full jet 5.2 Special hazards arising from the substance or mixture

Ensure adequate ventilation.
6.4 Reference to other sections
See Section 7 for information on safe handling.
See Section 8 for information on personal protection equipment.
See Section 13 for disposal information.

SECTION 07: Handling and storage

Handling: 7.1 Precautions for safe handling

*

*

Open and handle receptacle with care. Take note of emission threshold. Ensure good interior ventilation, especially at floor level. (Fumes are heavier than air). Information about fire - and explosion protection: Keep ignition sources away - Do not smoke. Protect against electrostatic charges. Prevent impact and friction. 7.2 Conditions for safe storage, including any incompatibilities Storage: Requirements to be met by storerooms and receptacles: Store only in the original receptacle. Information about storage in one common storage facility: Not required. Further information about storage conditions: Keep container tightly sealed. Store in cool, dry conditions in well sealed receptacles. Protect from heat and direct sunlight. 7.3 Specific end use(s) No further relevant information available.

	PRODUCT :	SUPREMO KLARLACK 3990	
		(continued of page 10)	
*	H312	Harmful in contact with skin.	
1	H314	Causes severe skin burns and eye damage.	
Ĵ	H315	Causes skin irritation.	
*	H317	May cause an allergic skin reaction.	
*	H318 H319	Causes serious eye damage. Causes serious eye irritation.	
*	H332	Harmful if inhaled.	
*	H334	May cause allergy or asthma symptoms or breathing difficulties if inhaled.	
*	H335	May cause respiratory irritation.	
*	H336	May cause drowsiness or dizziness.	
*	H372	Causes damage to organs through prolonged or repeated exposure.	
*	H373	May cause damage to organs through prolonged or repeated exposure.	
*	H411	Toxic to aquatic life with long lasting effects.
