## Solvent-based, lightening 2C primer and top coat for interior use

SUPREMO AUFHELLEND 2025-05 is a fast-drying, solvent-based, lightening 2C primer and top coat that feels pleasant to the touch. As it is particularly viscous, the product is especially suitable for applications on vertical surfaces. Can be used on wood that has been bleached with peroxide. The product can also be processed on spraying lines with forced drying.
