

TEKNOSPRO STOP

MULTI-SURFACE STAIN-BLOCKING PRIMER

POWERFUL STAIN-BLOCKING PRIMER THAT GOES ON LIKE A TOPCOAT

- Fast drying; block stains and finish with topcoats in one day
- Waterborne; highly effective and is ultra-low VOC
- Locks away the toughest stains; water-stains, nicotine, oil, ink, grease, soot and stains that cannot be cleaned first.
- Multi-surface; suitable for walls, ceilings, woodwork, metal. One product covers them all.

Introducing your ultimate solution for stain-blocking – **TEKNOSPRO STOP**. This powerful waterborne primer goes on like a topcoat and covers in just one coat, providing exceptional stain-blocking capabilities.

Designed for professional painters this stain-blocking primer offers exceptional hiding power, effortlessly covering most stains in a single layer. Even more impressive, it remains highly breathable, allowing water vapour to escape. **TEKNOSPRO STOP** can also be used as ceiling paint (untinted), allowing you to get the job done even faster with no need to topcoat.

Here's why TEKNOSPRO STOP is your must-have stain blocking primer:

- Fast-drying formula: Get dirty jobs done fast! Our waterborne primer dries in 4 hours, allowing you to block stains and apply topcoats all in one day.
- Waterborne and low VOC: Enjoy peace of mind for you and your clients with our waterborne formula that is highly effective yet ultra-low in VOCs (Volatile Organic Compounds) at less than 1g/L.
- Tough stain lockdown: Goodbye to stubborn stains. Our primer locks away water-stains, nicotine, oil, ink, grease, soot, and more, even stains that cannot be cleaned.
- Multi-surface versatility: From walls to ceilings, woodwork to metal, one product covers it all. Apply by brush, roll or spraying.
