

# HYDROPUR MERO 2595

Water-based 2C PUR Coating

## NATURAL WOOD

This water-soluble coating offers a luxurious, naturally matt surface. The coated surface gives an untreated look and has excellent scratch resistance. The combination of possibilities using HYDROPUR MERO 2595 with other coatings offers unlimited scope for creativity.

## SUITABLE FOR ALL TYPES OF WOOD

The product can be used on all types of wood, including: interior (e.g. wall coverings); decorative models; furniture; kitchen equipment and store fittings. In addition, HYDROPUR MERO 2595 contains UV protection, so that the natural yellowing effect of wood is actively reduced.

## CONTACT US

Calling Teknos is a quick and easy way to get expert advice on the use of HYDROPUR MERO 2595 or other Teknos coating products. Our technical customer service is always ready to help when it comes to developing optimum coating solutions and systems.
